

# Junior Internship

Henry Teare

# Pro Kids Golf Academy

“The Pro Kids mission is to challenge underserved youth to excel in life by promoting character development, life-skills, and values through education and the game of golf.”-Pro Kids

# Where I work

City Heights Location

Chris Mathes-Program Director

# What I've been doing

Series of small projects throughout this organization.

# Calendar Re-design

My first project I began here at Pro Kids was redesigning their monthly calendar

# Financial Literacy Workshop

Trying to teach kids money management in a fun way

Name:

## Future Career Workshop

### Step 1: Find a job

Research a career that you would like to do and write it below

---

Once you have found it show Henry

Salary:

Taxes: Now subtract 25% of this salary from the total and this will be the money you get to do this divide your whole salary by 4, then subtract that number from your total and you will have your final amount after taxes

Total salary  $\div 4 = 25\%$  of salary - total salary = taxed salary

### Step 2: Family

To find your relationship status roll dice. Here is the key

Spouse income=\$45,000 annually (Must tax your spouse/partner too)

Dating=\$15,000

1-married spouse w/ no income

2-married spouse w/ income

3-Divorced

4-dating partial income

5-dating no income

6-Single

Write your relationship status below:

---

To find your parental status roll dice. Here is the key

Child support=\$400 monthly

1- one child

2- two children

3- three children

4- child support to ex-spouse

5- child support to you

6- No child

Write your parental status below:

### Step 3: Find a house

Go onto the website zillow.com and find a house for sale. Find out how much this home will cost you monthly and add it to your budget

### Step 4: Expenses

You got to find out just how much it is to keep you and your family in a home, fed and many other things. Research the cost of these expenses and write them down next to the name of the expense

Groceries: See Henry for this expense

Cable/Internet

Phone Plan:

Home Payments:

Car/Transportation payments:

Gas (only if you have a car):

Water Bill: \$91

Gas and Electric: \$82

Hobbies (Gym, sports, arts and crafts):

Clothes:

Student Loans:

Retirement:

Child's College Fund:

Add your all of your expenses together to find the total amount you will be paying

# Golf Intergration Project

Getting Pro Kids in schools teaching math concepts through golf.

# Who I am

Smart Worker

Problem solver

Creator

All 3 of these skills played huge roles in my projects

# Advocacy and Communication

These are skills that I have lacked in the past.

Communication-having my own ideas for things

Advocacy-At times, believing there is only one way to do something

# What I've learned about myself

Learned that I enjoy a professional environment

Given freedom to put in my creativity

Introverted at most times

# Who I've become

I've become a more understanding, socially literate and calm person since starting my internship

Healthier lifestyle since starting

Less mental stress=more creativity

Thank You
